Dear Church Family:

For almost ten years now, I have had the privilege of serving as Rector of the Church of the Epiphany. I am so thankful to be your Rector during this exciting time. The parish is strong, and we have a great vision as we look to the future. God continues to open our eyes to see new and creative opportunities to be “Servants of God, our Parish and the Community”.

For as long as I have been here at Epiphany, the condition of our facilities has been a concern. In the past year, a talented team within the parish developed a Master Plan for the future of our buildings. We are embarking on Phase I of this multi-year process. After over a year of prayerful study and planning, we are committed to upgrading our physical plant to respond to the needs of more and more people in the name of Christ.

ONWARD is the title of our capital stewardship program to realize funds for our capital project. This information brochure describes our shared vision and commitment to be the congregation God is calling us to be. In the next few weeks, I invite you to join me, our program leaders and the entire church family in praying for God’s guidance in your decision. We realize that this commitment is over and above your regular giving—but it is a way to connect your faith and values more closely to the mission of Epiphany.

I know that Epiphany is a blessing in your life, as it is in mine. I pray for a deepened understanding of Jesus’ command to share our blessings with others and a deepened joy that comes in responding to God’s call.

Yours in Christ,

(The Rev.) William J. Cavanaugh
