

FIFTY YEARS OF BLESSINGS & MIRACLES AT EPIPHANY

On January 6, 1972, Church of the Epiphany was born as two struggling Episcopal Parishes in North Dallas (St. Margaret's & St. Mark's) voted to merge and become a stronger single Parish that came to be named Church of the Epiphany. On January 6, 2022, we will celebrate the 50th anniversary of this incredible Parish. During these past 50 years of Epiphany's history there have been countless Blessings, Miracles, Thanksgivings, etc. that have impacted the lives of the membership both current and past. We would like to capture as many of these events as we can to assimilate a collection of these works of our mighty, compassionate, and loving God through, by, and within the people of Epiphany (including laity, staff, and clergy). To the extent allowed or appropriate, we will publish some of these to the parish membership to foster a greater awareness among us all, of the works of God at Epiphany over these past 50 years.

To that end we would like to invite you all to think back on your time with Church of the Epiphany and share an event(s) in your life that has been particularly meaningful and/or impactful for you. A template to be used is attached for use as a guideline, both for the pertinent information, and the length of a description of your experience. Please share it with us via email (or personal hand delivery if you prefer) to either of:
